INFINITY

THE 1ST CIRCULAR STANDARD DISPLAY

CONTEXT

More than ever before, consumers care about **SUSTAINABILITY**. They want to consume in a more sensible and responsible way in order to reduce their environmental footprint.

In every business segment, companies are developing more sustainable activities and entering the **CIRCULAR ECONOMY** to try and reduce their impact on our planet. And so does POP Solutions Group.

To this end, POP Solutions has created **a STANDARD ADJUSTABLE & SUSTAINABLE STORE FURNITURE** in order for you to organize and dynamize your promotional or activation spaces in the point of purchase in a way that is both more sustainable and specially adapted to your customers' expectations.

9 REASONS to switch to INFINITY

STANDARD -> INFINITY is available in 3 different sizes suitable for every kind of product and venue

VERSATILE -> gondola end, island merchandiser or blitz zones suited for every kind of PROMOTIONAL action and easy to assemble

SOLID -> made of metal, it is stable, resistant in the long run and has a high load capacity

CIRCULAR -> reusable for different actions in various locations and producing less cardboard waste
-> 100% ENDLESSLY (INFINITY!) recyclable materials that are produced in Europe

MADE IN EUROPE -> thanks to our buyers' expertise

9 REASONS to switch to INFINITY

CUSTOMISABLE -> ENDLESSLY (INFINITY!) customisable with a ROI as of the third PROMO action
-> Various possibilities: topcard, colour, grid walls, grid wall hooks, shelf arrangement, multi-material, digital display, LED, lighting, moving grid, rollaway stands, ...

BRAND IDENTITY -> big brand communication space, 'wow effect' possible

SHORT DELIVERY TIME -> 2 to 6 weeks max.

ONE STOP SHOP -> design, printing, assembly and placement, POP takes care of everything for you.

3 STANDARD SIZES _ 3 adjustable height

INFINITY SMALL
600 mm x 400 mm

INFINITY MEDIUM
800 mm x 600 mm

INFINITY BIG
1200 mm x 800 mm

An infinity of available OPTIONS

Structure colour of your choice

Grid wall for various fixings

Tailor-made product support

Perforated plate for grid wall hooks

Grid wall hooks and various accessories

Tailor-made shelf arrangement

Many possible materials for the shelf arrangement and the accessories

Insertion of LED lighting

Insertion of screens

AN INFINITY OF OPTIONS TO DEVELOP

A MODULARITY without limits

INFINITY suits whatever kind of product to be displayed thanks to its multiple compartmentalisation.

The metallic structure of INFINITY can be equipped with forex, cardboard or reboard in order to become a real piece of furniture.

A **WOW** effect

It offers you a multitude of possibilities equally creative and striking such as the inclusion of screens or illuminated signs.

From a simple display to a highly qualitative piece of furniture, the different modules, materials and LED allow you to adapt your furniture endlessly and always with the greatest impact.

To structure & harmonise your PROMOTIONAL SPACE

For your own brand as well as for your advertisers' brands, take the most of our standard formats to make your PROMOTIONAL spaces more attractive.

The INFINITY furniture can help you set up a special thematic zone for a wine fair, Mother's Day or back-to-school days, among other possibilities...

EXAMPLES

Tefal

Smeg

Stanley
